PROJECTS

Koshiro Fashion – E-commerce Platform   Aug 2025 - Current

Aspiring Web Developer with hands-on experience in creating dynamic e-commerce applications, currently seeking to leverage my skills in React, TypeScript, Node.js, and MongoDB to contribute to innovative software solutions. At Koshiro Fashion, I successfully developed a comprehensive fashion e-commerce platform, focusing on enhancing customer experience through intuitive shopping flows and efficient admin functionalities. I am eager to apply my technical expertise and passion for software development to drive impactful projects in a collaborative environment.
